Curriculum

This month the children will be learning about transportation, community and safety. Children will be having conversations about what is a community and how we are an important part of our community. Children will continue working on patterns, one on one correspondence and number recognition.

K1- continues learning about Ocean life and getting ready for graduation.

The K1 Graduation will be on August 18th, beginning at 10am at the Gross Motor/Gym at 66 Berkeley. Please drop your graduate off by 9:30 the latest and then head to 66 Berkeley. Due to limited space we ask that only 2 Guests attend per child. **Congratulations K1** as you head off to Kindergarten this Fall. It has been a great pleasure watching each child through their learning journey and becoming Kindergarten ready!
