Announcements:

Special Thanks:

A huge thank you to all male role models who joined us for our Greatest Guy: Father's Day Event!

Welcome to all the new families! This past month was full of transitions between new families starting and children moving up through the program. Children have been adjusting to their new teachers and their new classroom while making new friends and settling in.

Curriculum:

This month, the children will learn about sea animals, the importance of the ocean and how to contribute to keep it clean. Children will continue to focus on colors, shapes, letters, Numbers as they learn new rhymes and poems.

Reminders:

- Parent teacher conferences for PSK is this month. Please see the schedule to sign up to meet with your child's teachers.
- For the summer curriculum we ask that all children arrive by 9:30am so no one misses out on the special activities. Please remember to wear hats, sunscreen, and sneakers.
